# PeopleLink - Smart Hybrid Solutions

Power of Hardware, Software & Cloud for the modern workplace

PeopleLink has been a pioneer of modern unified collaboration solutions since 2007. Our solutions are used by the Government, Defence, Education, Healthcare, BFSI, Enterprise and other industry verticals in more than 33 countries across the world.

With a large global partner network, we are focused on implementing a complete range of audio and video technologies combining the entire range of Software, Hardware & 4K Cloud Based Video Conferencing. Our end to end audio and video collaboration solutions are designed for businesses of all sizes, enhancing business meeting standards and productivity, worldwide.

## Insta Collaboration suite

### InstaVC

4K WebRTC Video Conferencing

### InstaVC Pro

# INSTA COLLABORATION SUITE

## InstaVC

4K Ultra HD ready multilocation online Video Conference Platform. Highly Secure WebRTC based solution that does not require any application download, and works on popular browsers like Google Chrome, Mozilla Firefox, Microsoft Edge, Safari & more. It has integrated Whiteboard/Screen sharing/Application Sharing/Video Sharing/Recording and Interoperability with Hardware Video Conference devices through SIP.

Premium Paid plans also available. **Free Sign up is available at [www.instavc.com](http://www.instavc.com)**

Available on Cloud as well as on premise deployment.

[Watch Demo Video] <https://www.youtube.com/watch?v=JwdlvsEjFQ0&t=139s>

## InstaVC Pro

It is a True MCU which supports H.323/H.239/SIP/BFCP/ WebRTC on all Ports at 1080P @ 30FPS. It has integrated Whiteboard/Screen sharing/Application Sharing/Video Sharing/Recording Highly Secure webRTC based solution that does not require any application download and works on popular browsers like Google Chrome, Mozilla Firefox, Microsoft Edge, Safari & more.

Available on Cloud as well as on premise deployment.

## InstaClassroom (eLearning & Corporate Training Solution)

Ideal for Online Learning in Smart Classrooms & Corporate Trainings. Provides fully interactive HD audio-video sessions for students & teachers including Content Sharing. Teachers can share documents, give Assessments, Assignments, conduct feedback polls, share Interactive White Board, Use Multi-Camera support to share documents & Trainer/Teacher in separate video frames. Auto attendance measurement as well as Lecture recording and more.

## InstaCast (Webinar Solution)

Webinar solution with interactive participants. Live Q&A session with the audience, cast the webinar to an unlimited number of audiences via online platforms like Facebook & YouTube & more. It allows Panel discussions with multiple participants at the same time in a fully interactive session over InstaVC and the same can be viewed by 1000's of participants through web browsers. Webinar users have the option to ask questions through Chat and also have the option to seamlessly join in a Live Discussion through audio/video if approved by Host.

## InstaConsult

Online Virtual Consultation platform – Ideal for use in Patient-Doctor consultations, Lawyer-client, Architects, Vastu Consultants, Astrologers or more for any virtual consultation with interactive two-way consultation requirement. It has integrated Payment gateway and scheduling/Waiting room platform for anyone to Kick start there live consultations.

# INSTA COLLABORATION SUITE

## InstaTalk

Web-based Audio Bridge Solution for a large number of audio-only participants.

## InstaCommerce

Online Video Shopping platform that enables retail showrooms to show their products to the buyer online in HD quality for virtual shopping experience with various customized Work-Flows.

## InstaInmate

Online virtual platform for InMates to interact with their families. Family members of inmates can schedule live virtual face to face meetings from their homes with inmates located in Jail. It has live integration with AADHAR , Central and state jail database for a fully automated approval based workflow along with integrated payment gateway allowing Govt to monetize the Video conference service offerings

## InstaTrials

Virtual eCourtroom solution that allows Judge, Victim, Convict & lawyers to login to a virtual video courtroom from separate locations and attend a Live online trial case.

## InstaAPI

Rest APIs to integrate video conference meetings into your existing business applications like HRMS, CRM, helpdesk, video customer care and more.

## ADBE

Advanced Digital Business EcoSystem – ADBE is a Mobile App based platform ( web version is also available) that allows organizations to truly build their 360-degree Digital Workplace where all key stakeholders including their Internal Employees and external Organizations like Resellers, Vendors, Customers, prospects are interconnected with each other in a single platform using unique Patent Pending WorkFlows.

ADBE has multiple integrated modules which cover:  
Enterprise Social Network & Business Network for connecting with Professional/Personal contacts and Organizations.

Instant Communication tools for chat/audio/Video call

Task Allocation & Management

Advance Collaboration tools such as integrated Multipoint VC for Meetings, Webinars for marketing, Private Virtual Office, Live customer Support, Partner Support, On-demand Training with Certification, Contact Management, and more

Analytics based reports for better decision making.

ADBE enables each key stakeholder of the Digital Network to get desired Content Information as well as Support from the relevant stakeholders, thereby making communication Simple, Fast & Easy.

# InstaVC - Your Ultimate Video Conferencing Solution available on Cloud & OnPremise

Different organizations have different video conferencing requirements, based on their preference and set up of available infrastructure. InstaVC supports all popular formats of video conferencing set ups, be it legacy based, software, hybrid or the latest Web Based Video Conferencing Solution

## Meeting Room Based Video Conferencing

This supports One to Many interactive discussions and learning, controlled by the Host. Participants in these meetings can attend both from local as well as remote sites.

Telepresence set up can be created by using multiple displays (3+) to display videos and data content on separate screens, multiple speaker microphones for audio, as well as multiple cameras to focus on separate individuals, in the same room.

## Portable - Laptop/Desktop/Mobile Video Conferencing

In this, participants login remotely from any location with appropriate bandwidth availability.

Here the set up is quick with available equipment, making HD video calls from their own devices from anywhere they can connect to the Internet. and this provides quick and flexible access to video meetings.

## Features

License Policy	Host based & Virtual Room based(vMCU)
Deployment Options	Cloud, onPremise, Hybrid
video conference technology	WebRTC
Chat (Private & Group)	Yes
Single Click Meeting	Yes
Conference Pre-Scheduling	Yes
Recurring Scheduling Support	Yes
Presence based P2P calls	Yes
File, Screen & Content Sharing	Yes
Whiteboard & Annotations	Yes
Bandwidth optimization	Yes
Self Help - Auto Troubleshooting	Yes
Firewall Traversal	Yes
Continuous Presence (Desktop)	25
Continuous Presence (Mobile)	16
Integrations	Calendar & MS Outlook
Resolution support	HD (720p) - Upto 4K resolution available in Paid Plans
Large Conference support	Yes
Wireless Screen Sharing	Yes
Password protected meetings	Yes
Past Meeting History	Yes
Waiting Lobby - Holding room	Yes
Two way chat in waiting Lobby	Yes
Advanced Host Controls	Yes
Multi-User Screen Share	Yes
Multi-Camera Input	Yes
Hand Raise	Yes
Polling	Yes
local Recording	Yes
Training Mode	Yes
MultiLanguage support	Yes
Dedicated Virtual Rooms	Yes
Conference room User Management	Yes
BYOD - Mobile, Laptop, Room based	Yes

### Below features are available in selective Paid Plans or as Optional

Resolution	Full HD(1080p), 4K Ultra HD(2160p)
Cloud TelePresence	Yes, 4 screens
Architecture	Dual - Mixing (Only in on Premise version) & SFU
Recording	Local & On Cloud (Option of 20Gb/100GB/500GB Plans)
SIP Interoperability with Legacy equipment	Yes
Dedicated Subdomain for companies	Yes
Logo Customization	Yes
API Integration	Yes
White Label	Yes
Customization	Yes
Audio Only Conference over WebRTC	Yes (InstaTalk)
Content Management & Sharing	Yes (InstaClassroom)
Class Tests & Live Assessment	Yes (InstaClassroom)
Attendance	Yes (InstaClassroom)
HomeWork & Assignment	Yes (InstaClassroom)
Webinar with Chat option	Yes (InstaCast)

# H.323/SIP based Video Conference Endpoints

## 4K HuddlePro (H.323/SIP)

- ePTZ Camera
- Supports 4K @ 30fps
- Inbuilt stereo gain microphone
- FOV 84°

PN : PEP-HUD-H323-4KB

## Impact Zeta Endpoint

- Robust & Flexible scaling platform
- Advanced, portable and feature rich codec
- Unmatched collaboration experience

PN : PCU-PEP-PIZ-P2P/P60

## Integrated 4K Huddle Endpoint

- 8X Digital Zoom
- 4K Ultra High Definition Video conference
- Built-in microphone
- Distribute incoming videos across two screens

PN : PEP-INT-HUD-4K

## Impact Pro / Impact Pro Codec (1+5)

- H.323 Standalone codec 1080p @ 60fps
- 2 Point function (separate camera & Audio)
- Inbuilt 1+5 MCU license

PN : PIP-PIS-COD-P2P

PN : PIP-PIS-COD-6MP

## Impact Pro / Impact Pro (1+3) Endpoint

- Embedded 1+3 MCU
- H.323 standalone codec with camera & Audio bundled into a sleek form factor

PN : PEP-PIS-HX-P-40

PN : PEP-PIS-HXP

## Impact Analog Microphone

- Plug & Play Analog Microphone
- Ideal for huddle rooms as well as Conference Rooms
- Accessory to Impact series Endpoint

PN : PEP-PIS-ACC-MIC-A

## Impact Pro 20X / Impact Pro 20X Endpoint (1+3)

- Inbuilt 1+3 CPU Sleek form Factor
- Sleek Design
- 1080p @ 30fps

PN : PEP-PIS-HX-P-10

PN : PEP-PIS-HX-P-30

## Impact Digital Microphone

- Plug & Play Digital Microphone with upto 4 cascade
- Ideal for Huddle Room to Large Conference Rooms
- Accessory of Impact Series Endpoints

PN : PEP-PIS-ACC-MIC-D

# Android & Windows-Based Video Conferencing End Points

## FX Series Endpoint

- Full HD Codec
  - 4x USB 3.0 Ports, 2x USB 2.0 Ports
  - HDMI Output, DP Output
  - Dual Display Support
  - 10X Optical Zoom & 16X Digital Zoom,
  - 58.5° Field Of View
  - USB 3.0 Port.
  - Remote control
  - Omnidirectional Microphone
- PN: FXS-COD-QD-10X-h.264-EP

## FX Series Endpoint

- Full HD Codec
  - 4x USB 3.0 Ports, 2x USB 2.0 Ports
  - HDMI Output, DP Output
  - Support ePTZ & Ultra 4K
  - 8X Digital Zoom
  - FOV 120°
  - Dual Display Support
  - Omnidirectional Microphone
- PN: FXS-COD-QD-4K-AFC-EP

## FX Series Endpoint

- Full HD Codec
  - 4x USB 3.0 Ports, 2x USB 2.0 Ports
  - HDMI Output, DP Output
  - Dual Display Support
  - 12X Optical Zoom
  - USB 3.0 Port.
  - Remote control
  - Omnidirectional Microphone
- PN: FXS-COD-QD-12X-USB-EP

## Integrated 4K Huddle Endpoint

- ePTZ Camera
  - Supports 4K @ 30fps
  - Inbuilt stereo gain microphone
  - FOV 84°
- PN: PEP-INT-HUD-4KB

## FX Series Endpoint

- Full HD Codec
  - 4x USB 3.0 Ports, 2x USB 2.0 Ports
  - Dual Display Support
  - 20X Optical Zoom & 16X Digital Zoom
  - USB 3.0 Port, HDMI & RJ-45 port.
  - Omnidirectional Microphone
- PN: FXS-COD-QD-12X-EPC-EP  
PN: FXS-COD-QD-20X-EPC-EP  
PN: FXS-COD-QD-30X-EPC-EP

## 4K Huddle Pro (Android)

- 8X Digital Zoom
  - 4K Ultra High Definition Video conference
  - Built-in microphone
  - Distribute incoming videos across two screens
- PN :PEP-INT-HUD-4K

# Software Video Conference MCU UTP Plus

## UTP Plus (Available On Cloud & On Premise)

UTP Plus is a Client Based Video Conference Software MCU with a Capacity to connect 10000 plus users in a Single Conference at a time . Capable of streaming full HD videos at an optimized bandwidth. Easy installation procedure makes it easy to set up in a corporate environment. Offers interoperability with legacy hardware endpoints during multiparty video conference.

- Connects to legacy hardware endpoints on protocol H.323/H.239
- Up to 64 video continuous presence for large conferences
- Compatible with both Android and iOS devices making video conference possible through a Smart Phone or a tablet.
- Video mixer enables the video input from six different cameras and telecast them individually
- The software adjusts the screen size and the layout to accommodate all the users.
- Remote Desktop Access allows the control of remote PC during a video conference to troubleshoot and support the participant at the other end.
- Collaborate during the video conference by sharing desktop or data files such as images, videos, documents
- Record entire session of video conference for future reference

# Auto Tracking Intelligent & USB Camera

# Auto Tracking Intelligent Cameras

## Speaker Track Pro/Speaker Track Standard Camera

- 1/2.8" CMOS, 2MP
- 1920x1080 @ 60FPS
- 12x optical zoom
- Support H.264/H.265
- 72.5° / 98° Field Of View
- 3G-SDI, HDMI, USB 2.0

## 4K AF Camera-Soundbar

- 1/2.5 inch, CMOS, 8.51M pixel
- 4K (3840x2160) @60 frames
- 5x Zoom & H.264 / MJPEG / YUY2 / NV12
- 120° (DFOV), 110° (HFOV)
- USB 3.0, downward compatible with USB2.0
- Beamforming microphone
- 96 dB Speaker output in the case of 0.5 meter

## iCam FHD-2000LT USB

- 1/2.8 HD CMOS sensor
- 1920X1080 with 60fps
- 12x optical zoom
- 72.5° FOV
- Support H.264, H.265
- USB3.0, & Ethernet,

## iCam FHD-LT Teacher/Student 20X

- 1/2.8" Exmor CMOS, 2.14MP
- 1920x1080@60fps
- 20X Optical Zoom, 12X digital Zoom
- 59.5° Field Of View
- USB3.0/SDI/DVI connectors
- support H.264/H265/MJPEG

## InstaVC 4K 120° Auto Frame

- 1/2.5", CMOS, EP: 8.51M
- Ultra 4K
- Support ePTZ
- 8X Digital Zoom
- FOV 120°
- HDMI, USB 3.0, 3.5mm Audio jack
- Built in Microphone

# USB Camera Solutions

## i8 Telepresence Camera

- 1/2.7, CMOS sensor
- 1920x1080 (Compressed)
- E PTZ
- 120° degrees wide angle
- Built in Microphone
- USB 2.0

**Ideal For Huddle room with 4-5 participants**

## iCam WHD-1080 10X (H.264)

- 1/2.7, CMOS sensor
- 1920x1080( H.264 Compressed)
- 10x Optical Zoom
- 16x Digital Zoom
- 58.5° Field Of View
- USB 2.0

**Ideal For Meeting room with 6-10 participants**

## iCam WHD-1080 10X USB

- 1/2.8" high quality, 5MP sensor
- True HD 1080p @ 30 FPS
- 10x Optical Zoom
- 12X Digital Zoom
- 62.5° Field Of View
- USB 3.0

**ideal for 10-15 participants**

## iCam WHD 1080 USB 12X

- 1/2.7, CMOS
- FHD 1080p @ 60 FP
- 12x optical zoom
- 72.5° Field Of View
- USB 3.0

**Ideal For Huddle room with 10-15 participants**

## Elite FHD Premium Series 12X/ 20X/ 30X

- 1/2.7" high quality, 2MP sensor
- 1080P Full HD
- 12x /20x / 30x Optical Zoom
- 16x / 16x/ 8x Digital Zoom
- 72.5° / 60.7° / 60.7° Field Of View
- USB 3.0, RJ45, 3G-SDI & Support H.265

**ideal for 15-30 participants**

# USB Audio Solutions

# USB Audio Solutions

## i100- P

- Crystal clear audio
- Inbuilt background noise & echo cancellation
- Ideal for medium & large conference rooms

PN : PD-PPU-PVC-CP-PST

## UVC 15/UVC 15B

- Portable, Plug & Play USB based Digital Conference Phone
- ideal for huddle rooms and medium sized conference rooms
- Wired and Wireless Models available
- Supports wireless connectivity over Bluetooth & NFC along with audio out Max volume of 85dB

PN : PPU-PVC-UVC-15/UVC-15B

\*2 models available

## PVC 50 WS

- Plug & Play Wireless Digital Conference Phone
- Ideal for High end-network video & Audio conference Meetings

PN : PPU-PVC-AD-50WS

## UVC 25

- Omni Directional in-built microphones
- 360° audio pickup
- 85dB clear audio output
- inbuilt background noise and echo cancellation can be easily connected with VC peripherals through USB wire.

PN : PPU-PVC-UVC-25

## PVC 50WS Cascade

- Plug & Play Wireless Digital Conference Phone
- Ideal for Huddle Rooms
- External Speakers can be added

PN : PPU-PVC-AD-50WS-2C/3C/4C

## Quadro / Quadro With Extension Microphones

- Hybrid Conference Phone (USB/Stereo)
- mobile based audio conferencing using smartphones
- Call Bridging Option available
- Sonic clear technology for crystal clear sound quality
- Models Available without as well as without Extension Microphones

PN : PN: PPU-PVC-CP-QOD

PN : PPU-PVC-CP-QOD-E

## UVC 100

- Wide Angle Camera Plus digital conference phone
- ideal for huddle rooms and medium sized conference rooms
- Single device for Audio as well as Video Collaboration
- Portable, robust plug and play device that is easy to carry while travelling as well.

PN : PPU-PVC-UVC-100

## Quadro P / Quadro P With Extension Microphones

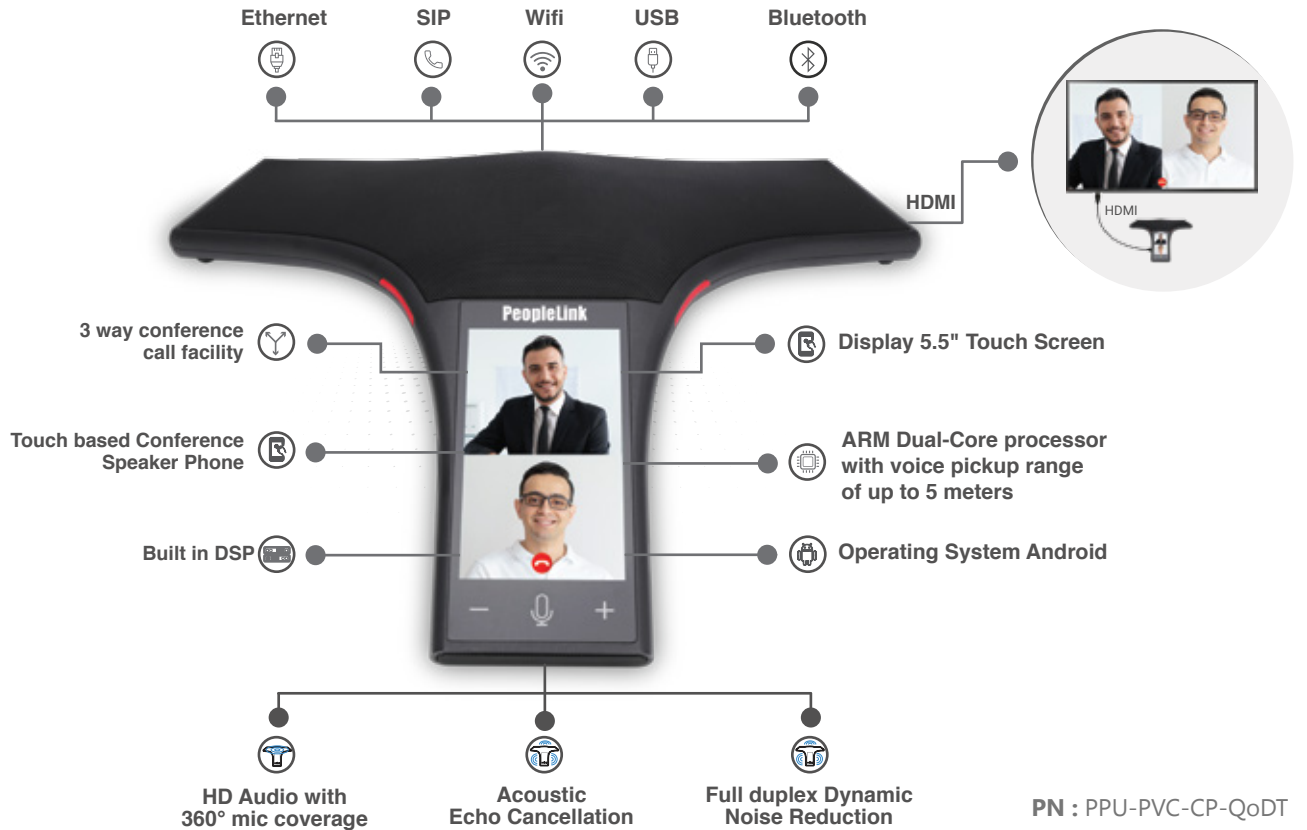

- Hybrid Conference Phone (PSTN/USB) Enjoy PSTN Audio conferencing with
- Call Bridging option with USB based video conference Participants
- Sonic clear technology for crystal clear sound quality.

PN : PPU-PVC-CP-QODP

PN : PPU-PVC-CP-QODP-E

# USB Audio Solutions

## Quadro Touch

## Multichannel All In One DSP

- High efficiency of ~90%
- Very low quiescent current. Can run an inverter
- Integrated Self-Protection Surface Mount Technology Circuit
- Quartz-locked frequency
- Wide operating range of 300 feet
- 19-inch chassis (Rack-Mountable) DSP with inbuilt amplifier with a wireless microphone system
- Power Supply Unit with Short Circuit, Overload & Over Voltage Protection

PN : PCU-DSP-MC-AIO

## DSP-CM

- HD voice pickup range mic
- Efficient Layout
- Compatible with common audio & video software

PN : PCU-DSP-CM

## DSP-CM-Pro

- HD voice pickup range mic
- Efficient Layout
- Compatible with common audio & video software

PN : PCU-DSP-CM-PRO

# PeopleLink White Board, Document Visualiser & Interactive Touch Panel Displays

## PeopleLink White Board Solution (Long Throw )

Part number: PCU-PPS-WBS

PeopleLink White Board Solution is a portable solution which once connected to any existing projector converts any surface into an Interactive White Board which enables Educational Institutes to have a real-time Collaboration & learning experience.

## PeopleLink Interactive Display T65 Plus/T75 Plus/T86 Plus

Part number : PDS-ICB-4K-T65+

Part number : PDS-ICB-4K-T75+

Part number : PDS-ICB-4K-T86+

Let the versatile 4K UHD interactive display bring more collaboration and student engagement to your classroom. Turn the display into a digital whiteboard, share files in one touch, and use your favourite software all with your fingers and the press of a button.

## PeopleLink iVision / iVision Pro-20X

Part number : PCU-PVI-IVSN

PCU-PVI-IVSN-PRO

Experience true images in virtually any condition. Featuring a large, highly-efficient imaging sensor with powerful document capture capability to deliver high quality images. Large, intuitive buttons extend simple navigation and control. Easily capture the subject with ultimate quality.

# Professional Audio, Control & Automation Systems

# Professional Audio, Control & Automation System

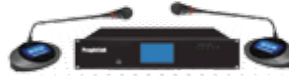

## Pro Audio DSP

- 8 channel balanced Mic inputs,
- 4 channel Line inputs
- 6 channel Line outputs.
- Noise Cancellation, AGC, AEC, Equalization.
- For both local classroom recording, playback, & remote interactive classroom environments.

PN : PPU-MCC-DSP-PRO-4C

## Wireless Chairman Delegate System

- 5 GHz Wireless Conference System Controller
- 1 balanced and 1 Unbalanced Output
- 20HZ to 20KHz
- 64 Channels

PN : PCU-DSP-CM-PRO

Part number :

**Wireless Conference System Controller :** PPU-WL-CSC

**Wireless Delegate Unit :** PPU-WL-DLU

**Wireless Chairman Unit :** PPU-WL-CHU

**Charger Unit (Chairman/Delegate 10 Units) :**

PPU-WL-CHR-CDU-10

**Peoplelink AP Transmitter :** PPU-WL-AP-TMR

## Look-At-Me (8 Button)

- Wireless Look At Me
- RS-232 Control for PTZ Cameras.
- Pelco-P/Pelco-D/Visca Commands
- 8 Wireless Buttons
- RF Based

PN : : PCU-LAM-WS-8B

## Wireless Conference System

- UHF Wireless Conference System Controller
- FM Modulation
- 50HZ to 15KHz
- 16 Channels
- 500-950 MHz XLR Audio Output

Part number :

**Wireless Conference System :** PCU-PWC-KIT

**Conference System Controller :** PL-WL-CU

**Wireless Chairman Microphone Unit :** PL-WL-CH

**Wireless Delegate Microphone Unit :** PL-WL-DL

**Charging Unit for 16 Batteries :** PL-WL-CHG

**Batteries :** PL-WL-BT

## InstaController RSI - 552 /ARSI - 31074

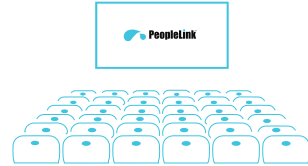

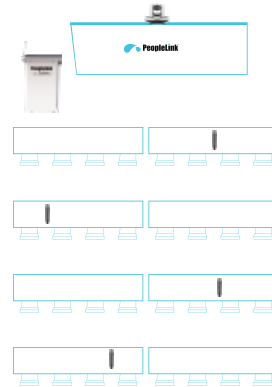

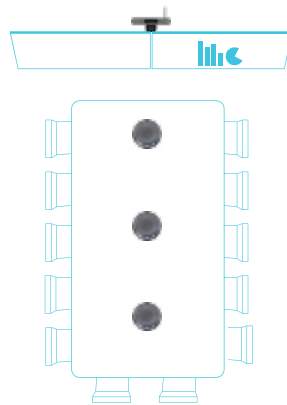

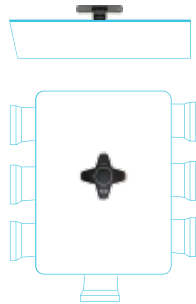

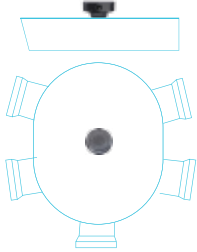

- Central Control System
- 5 Nos Bi-directional RS-232 Ports
- 2 Nos Hybrid RS-232/IR Ports
- 1 Nos RJ-45 Port
- 10 Nos High Voltage Relay Controls.
- 3 Zone Lighting Dimmer inbuilt
- Gets integrated with Peoplelink E-Podiums
- For Boardroom automation, Classroom Automation, Conference Rooms, Seminar halls
